Re: Docket No. 2007-265-T; Application of Gentlemen Movers, Inc. for a rate increase.

Dear Mr. Terreni:

This letter is a request to postpone the processing of tariff revisions submitted by Robert H. Marye on behalf of Gentlemen Movers, Inc. in the above-referenced matter. The description of the amended filing requests an increase in certain rates and charges to their existing tariff on file with the Office of Regulatory Staff ("ORS"). Because changes in rates and charges are being requested, the ORS would like the opportunity to perform an audit and impact study regarding this filing. ORS requests that the Commission not consider or rule on the requested tariff changes until ORS has performed its audit and completed the impact study.

If the above request is granted by the Commission, and upon completion of said audit, ORS will advise the Commission of the results of our impact study and our position in this matter.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided.

If you have any questions, please feel free to contact me.

Sincerely,

L. George Parker Jr.
Manager, Transportation Department, ORS
